requests that:

- Future pension contributions be assigned to the investment option indicated below while the already accumulated balance be left unaltered.
- The accumulated balance be transferred and future contributions assigned to the investment option indicated below.
- The accumulated balance be transferred to the investment option indicated below.
- Other request:

- Ævileið 1 option - Long-term option
- Ævileið 2 option - Cautious option
- Ævileið 3 option - Withdrawal option
- Ævilína – Automatic age-referenced transfer between investment options

**Please note:**

You must check the relevant box above in order to change your investment option.

If an application is made before the 20th of each month, the balance transfer will take place on the last working day of that month. If an application is received after the 20th of each month, the transfer will take place on the last working day of the following month.
